### Little Guitar Pickers

A fun and exciting class!

Our patient, experienced instructor teaches fun songs that use one-finger chords. This method enables your child to achieve measurable success and perform a song for you by the end of each lesson. Imagine the joy and self-confidence this bolsters! The last class ends with a concert for friends and family.

### Form, Function and Flexibility

#### **Let's Get Fit**

This class focuses on strength, flexibility, and cardiovascular training that is practical in relationship to our lives. It is intended to benefit core strength, provide opportunities to improve bone health with resistance training, to enhance functional cardiovascular resilience and to expose participants to willful use of breath and relaxation. Intensity levels will correspond to participants' willingness to be challenged. Instructor: Dianne Hunter, ACE Certified.
